

RCD PARKING PERMIT INFORMATION SHEET

Please read this carefully before using your Parking Permit for People with Disabilities:

Your Permit

Based on your physician's assessment and signature stating that you have a mobility impairment; you have been issued one of the following types of permit:

Permanent Permit – this permit must be renewed every three years from the date it was issued. The RCD will mail you a renewal notice, so it is important to inform us of any address changes.

Temporary Permit – this permit has an expiry date based upon your doctor's assessment of when you will recover. To have it renewed you must obtain another authorization from your doctor and return the expired one.

Organization Permit – this permit must be renewed every year from the date it was issued. Please contact RCD for renewal notice. It is important to inform us of any address changes.

Regardless of the type of permit that you have been issued, you are responsible for insuring that this permit is used in an appropriate manner.

Your Responsibilities

When to use your permit: The permit can be used only when **you**, the registered permit holder, are leaving a parked vehicle; **it must not be used by anyone else**, even if he/she has mobility impairment. **Misuse of this permit** will result in the loss of associated privileges and no further permits will be issued to you.

How to use your permit: When you park in a designated parking space, the permit must hang from your rear-view mirror or placed on top of the dashboard. The registration number, expiry date and wheelchair symbol must be facing out. **The Permit must be removed from the mirror when the vehicle is in motion because it will obscure the driver's vision.**

Lost/Stolen Cards: In order to process replacement card, the Replacement Declaration form must be completed. This Form can be downloaded from the RCD website, or from our office. It is important to provide a police file number if the card is stolen.
